HELP OUR VILLAGE HALL - THE EASY WAY!

Downham Village Hall is a registered charity. The Parish Council has endorsed proposals to improve the Hall's facilities and to make it more energy-efficient. This work will cost money and you can contribute **AT NO COST TO YOU!**

If you place orders online with any of around 2700 retailers (including Tesco, Amazon, John Lewis and many other big names), you can do so via easyfundraising. By doing so, the retailer will make a contribution to your nominated good cause. Log on to easyfundraising.org.uk to see just how simple it is and to nominate

as your chosen good cause. Please!

If all residents support us in this way, it will make our fundraising so much easier and benefit the community sooner.

Thank you
