

POTHoles AND FLOODING

We are lucky to have avoided the worst of the flooding that so badly affected many parts of the country but the water has left many roads in a very bad way. Potholes in particular are the major problem and it is only now that the weather has relented that it is possible for them to be repaired.

Essex County Council has responsibility for highway repairs and if you see a problem then you can report it by telephone, or better still, online. Go to

<http://www.essexhighways.org/Report-a-highways-problem.aspx>

Here you can pinpoint on a map exactly where the problem is, send them a photo and get updated information about when it is to be dealt with. You can report many different problems including flooding and damaged verges.

Dog Watch Campaign

Dog fouling is once again a major problem within the Parish. Please be responsible for your dog and pick up its litter!

If residents see a problem then go to the City Council's website

www.chelmsford.gov.uk/dog-fouling

and report it
or phone 01245 606606

Our Village Halls

Residents receive this Newsletter with the back page highlighting what is happening in their own Village Hall. We are fortunate to have three splendid halls and full details are on their websites.

For example, South Hanningfield Village Hall has a Race Night on 5th April for only £8 (children £4) including a fish & chip supper. Contact Julie for tickets.
01268 710820

Our new website will have full details and links to the hall websites so that you will be able to see how many events take place all over the Parish
